

# EXCELLENCE IN OUTSOURCED MINING OPERATIONS

Minopex Mining Operations was established in 2016 with its management team having a combined mining experience of 80 years.

The mining entity is a logical extension to the Minopex value chain and is fully supported by DRA. The addition of Minopex Mining Operations allow us to provide a one stop mining solution. We provide flexible, integrated, cost-effective and highly competitive value added services. The company has a strategy to grow through long term relationships built up through contract performance, sustainable safety, health and environmental practices as well as social and ethical contracting practices.

## What makes us different?

We believe the industry needs a fresh approach to mining contracting.

The vision of Minopex Mining Operations is to enter into the contract mining industry and give clients an alternative option with regards to choice of contractor.

The fresh approach, is in doing it "FASTIR", creating alliances with our clients, share resources and to mine the client's ore reserves more responsibly.

DRA Global with Minopex Mining Operations has a global vision and is geared for expansion. The company has over 30 years of experience in the mining industry and brings a strong project driven culture to the table with substantial financial backing. Minopex, a subsidiary of DRA with 20 years of experience, has a solid operational reputation and brings the required operational systems to the project.

The whole DRA Group has solid safety records in the mining industry.

MINOPEX STRIVES FOR "FASTIR" SERVICE DELIVERY SUPPORTED BY OUR CORE VALUES: FOCUS / ACCOUNTABILITY / SAFETY / TECHNOLOGY / INTEGRITY / RESPECT /
